

**REMARKS**

Claims 1-17 and 19-26 are currently pending in this Application. This paper is responsive to the Office Action issued on January 16, 2008, in which all pending claims were rejected.

The Applicant thanks Examienr Wei and Examiner Dam for conducting the telephone interview on April 8, 2008 with Applicants, including Geraint North, David Clark and Ronald Demsher. During the telephone interview, the Applicants and the Examiners discussed the cited prior art as it relates to the subject matter disclosed in the present application, along with the pending rejections with respect to Zheng and Warnes. The Examiners suggested potential changes to the independent claims that could overcome the pending rejections. Those suggestions have been incorporated as amendments to claims 1, 10 and 19.

The Applicants believe the amendments to independent claims 1, 10 and 19 overcome the Examiner's rejections under 35 U.S.C §102(b) with respect to Zheng, and under 35 U.S.C §103(a) with respect to Zheng in view of Warnes. Claims 1, 10 and 19 should be allowable. Since claims 2-9, 11-17 and 20-26 depend from an allowable base claim, those claims should also be allowable.

In view of the above amendments, applicant believes the pending application is in condition for allowance.

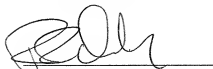

Filed herewith is a Request and fee for a Two-Month Extension of Time, which extends the statutory period for response to expire on July 9, 2008. Accordingly, Applicant respectfully submits that this response is being timely filed. Applicant believes no other fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 08-0219, under Order No. 1801270.00135US1 from which the undersigned is authorized to draw.
